Subject: MyLADOT - Service Request Number: 58396
From: donotreply@lacity.org
Date: 04/07/2016 10:25 AM
To: lisa@mediadistrict.org

Thank you for sharing your concerns. All requests are subject to an engineering review for public safety, traffic impacts, and regulatory compliance. Common maintenance issues are typically resolved in a few days. More complex issues may involve extensive analysis over a prolonged period and updates to such a request will be provided within the next 60 days. Our team values this opportunity to serve you. Please save your service request identification number for future reference
